

Boston u3a 2024 Holiday to Gillamoor, Yorkshire

U3a Holiday to Gillamoor TG writes: We are back from another memorable visit to the Royal Oak at Gillamoor. Members enjoyed: visiting Whitby, Steam Train to Whitby (twice), visiting Helmsley Walled Gardens, Scarborough, Danby Forest with all the facilities. The list is endless really and also includes Robin Hoods Bay, Beningbrough Hall close to York and York City. One couple remarked how brilliant the route through the Moors was - an amazing experience! The food at the Royal Oak was varied and plentiful and produced by the chef/landlord as it has been for the last 14 years to our knowledge. Hopefully we can secure rooms at another one of the four locations we have visited over the years and look forward to other members joining us! Watch out for details in the Autumn
